the eczema cure how to overcome eczema for life eczema eczema free eczema cure eczema treatment eczema diet eczema solution clear skin eczema care skin maintenance how to cure Dermatitis, also known as eczema, is a group of diseases that results in inflammation of the skin. These diseases are characterized by itchiness, red skin and a rash. In cases of short duration, there may be small blisters, while in long-term cases the skin may become thickened. The area of skin involved can vary from small to the entire body.
