the edge of awareness just in this moment coming over the horizon line of awareness (Stolorow, Atwood, & Orange, 2002). We want to extend our consciousness to look for the edge of taken-for-granted, implicit knowing. We want to be like fish becoming aware of the sea. Understanding of the role of the implicit sheds new light on the na-

the edge of awareness The Slight Edge is the book that makes every other personal-development book actually work. This is the REAL secret! â€”Jesse Macpherson, Los Angeles, CA The Slight Edge was the single most formative influence on my career, health and happiness. I have gone back and read it over and over so many times that my copy is in complete tatters.

the edge of awareness Receivers of conscious nonverbal communication are aware that they received the message and the meaning intended by the sender. The receiver of a hug, for example, generally realizes that the message is a sign of friendship. â€¢ Subliminal nonverbal communications. Subliminal messages are communicated to the subconscious mind of the receiver.

Ch 5 - Nonverbal Communication

the edge of awareness was Tony de Mello at his best, proclaiming the message of â€œawareness,â€• seeing the light we are to ourselves and to others, recognizing we are better than we know. This book captures Tony in flight, doing just thatâ€”in live dialogue and interactionâ€”touching on all the themes that enliven the hearts of those who listen.
